Good afternoon Honorable PCE Board of Directors,

On Jan Pepper's behalf, we'd like to share the following in this edition of the PCE Board's weekly newsletter:

1) MCE's Overview of Nonbypassable Charges:
MCE produced a thorough report on the history of nonbypassable charges at the CPUC that is very timely given the recent filing of the PAM Application (A.17-04-018) by the IOUs on April 25th. The report is attached below for your reading pleasure.

2) PCE Employee Contact List:
In case you need to contact one of PCE's employees, please keep this list for reference.
